#### MARLAND LEASES FOR AGRICULTURE.

Sceretary George A. Smith of the school land commission went to Lincoln county today, where he will spend several days examining several tracts of land which had formerly been segregated by the commission and upon which oil leases had been executed. These tracts have been tested and no indications of oil found. and it is lite purpose of the commission to withdraw these lands from segregation and put them on the market as agricultural lands. Other tracts under similar conditions in Kny and Noble counties will be done likewise. Most of these tracts were originally under what is known as the Marland leases. It was thought at the time oil leases were made that oil
